West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

All this you will see set out in the declarations which I refer to. Although he permitted himself to be called Dawson during his wife's life and thus led others into the error, he now very properly repudiates it and adheres to his own proper name.

I therefore return the draft of the patent with the correction made in the way in which I think it proper. I think there should be in parenthesis some reference to him being known as Dawson and I have made the change in red ink, which I think you will approve. The draft is otherwise correct.

Dear Sir:-

Your file no. 1778091.

Re H.E. - 1 - 10 - 33 - 17 - W.4.

I beg to acknowledge the receipt of your letter of the 24th. inst., in this matter enclosing a draft of patent to be issued to Charles Francis and Duncan Stuart.

You will observe that the old error respecting the name of the principal grantee is still to the fore. If you will refer again to the correspondence in the matter, you will find a letter addressed to you of the 21st. of September in which we refer to the declarations sent to Mr. McKenzie, Dominion Land Agent here, setting forth the correct name of the parties Francois, husband and wife.

I have no doubt Mr. McKenzie sent you the declaration in which it is set out that "Lawson" is not the proper name, but that the proper name is Charles Francis.

On examining the records in the Land Titles Office it was seen that he made the entry for the land in his own proper name, Charles Francis. But he married a widow here of the name of Henrietta Dawson and singularly enough he became known as Dawson and his wife still

OTTAWA 31st October, 1928.

Sir,-

S.E. 4

Sec. 27 Tp. 58 Rge. 7 West 5th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.
